PROJECTS

1. Responses and adaptation of protected agriculture under climate risk stress: Perspectives from greenhouse farming. National Natural Science Foundation of China, Project lead
2. Examining the driving mechanism, multiple effects and improvement strategies of the commodification of spatial resources in rural China: A case study of the typical villages in Zhejiang Province. Funder: National Natural Science Foundation of China, Project lead
3. Research on Mechanisms and Effects of Rural Spatial Commodification in Developed Regions: A Case Study of Typical Villages in Zhejiang Province, Funder: Zhejiang Province Office of Philosophy and Social Science Planning, Project lead
4. The driving mechanisms, multidimensional benefits, and multi-objective coordinated governance of the expansion of greenhouse farming, Funder: Fundamental Research Funds for the Central Universities, Project lead
5. Measurement and optimization regulation of urban-rural integration development level in the Yangtze River Delta region. Funder: Jiaxing City Land and Spatial Planning Research Co., Ltd. (Commissioned consulting project), Project lead
6. Addressing Decline: Process and Mechanisms of Rural Space Commodification under Capital-driven Forces, Funder: China Institute of Development Studies, Shanghai Jiao Tong University, Project lead.
7. Land use transitions driven by urbanization and their effects on local environment in the farming areas of China: The case of Huang-Huai-Hai Plain, Funder: National Natural Science Foundation of China, Principle investigator.

AWARDS

1. Zhongying Young Scholar of Zhejiang University (2026)
2. Wen Wang Best Young Scholar Paper Award. (2024)
3. 4th Outstanding Academic Paper in the Journal of the Geographic Society of China. (2023)
4. 7th Outstanding Science and Technology Paper by the China Association for Science and Technology (2022, the only one geographical paper among 95 papers from different disciplines)
5. Outstanding graduate award granted by Beijing Municipal Government (2021)
6. President award of Chinese Academy of Sciences (2021)
7. The UCAS-BHPB Scholarship（2020）
8. National Scholarship for Graduate Student. Granted by Ministry of Education of the People’s Republic of

China. (2019)
9. Zhuliyuehua Scholarship. Granted by University of Chinese Academy of Sciences. (2019)
10. National Scholarship for Graduate Student. Granted by Ministry of Education of the People's Republic of China. (2017)
11. The Award of Excellent Paper. Granted by The Geographical Society of China at the Academic Annual Conference of Geographical Graduate Students, Beijing, China. (2017)
12. Outstanding Student of UCAS. (2017)
13. Major Award of UCAS. (2016)
14. The Outstanding Thesis of Undergraduate Student of JLU. (2016)
15. "Li Siguang" Scholarship. (The top scholarship in JLU). (2016)
16. The Excellent Undergraduate of JLU. (2016)
17. "Dongrong" Scholarship of JLU. (2015)
18. The Excellent Principal of College Student Innovation Project. (2015)
19. National Encouragement Scholarship. (2014).
20. Scholarship granted by CAS. (2014)
21. Outstanding Student of JLU. (2014)
22. National Scholarship for Undergraduate Student. Granted by Ministry of Education of the People's Republic of China. (2013)
23. Scholarship granted by CAS. (2013)
